

INVOLVEMENT INTO ERASMUS+ PROJECT „OUR SCHOOL, OUR PLAYGROUND!”

STUDENTS' QUESTIONNAIRE

Въпросник за ученици - участници в проекта

№ 2017-1-EL01-KA219-036230

Erasmus+

Last name and name *

Deleva Trayana

You are student from *

primary school

lower level secondary school

1.Are there European projects running in your school? *

Yes

No

2.If so, do you know the names of the running projects? *

- Yes
- No
- The title is "Our school, our playground"

3.Who has informed you that European projects are running in your school?

*

- School headmaster
- Teachers
- Students
- Other sources

4. Are you directly involved in the project's activities? *

- Yes
- No

5.Please, name three activities that required your involvement. *

- Learning apps
- Board games
- Introductions
- Coding
- Short classroom games

6. Do you think you have learned more because of your involvement into specific activities? *

Yes ▼

Motivate your answer

- I learn more if I work in groups and the lessons are motivating
- I learn better if i enjoy the activities
- I like playing games to repeat or refresh contents
- Other:

7. Has your direct participation improved your English skills? *

- Yes
- No

8. Do you use IT tools for the project's products? *

- Yes
- No
- Internet is weak
- There is no internet connection.
- Other:

9. How much time do you spend for the project weekly? *

- One hour
- Two hours
- More than two hours

10. Do you work as a team or individually? *

- As a team
- Individually
- Other:

11. Have you been asked about the accomplished project's activities? *

- Yes
- No
- Other

12. Do you think that your involvement in this project has brought you practical examples for a better understanding of the given task? *

- Yes, because of additional individual work on specific topics
- Yes, thanks to using English for more hours per day
- Yes, because of research work on curious themes
- No

13. What are your suggestions for the school project team ?

Да се изслушваме, да се разбираме

14. What are your suggestions for the partnership school project team/s ?

Всички да вземаме еднакво участие

Thank you for your contribution!

4. Are you directly involved in the project's activities? *

- Yes
- No

5.Please, name three activities that required your involvement. *

- Learning apps
- Board games
- Introductions
- Coding
- Short classroom games

6. Do you think you have learned more because of your involvement into specific activities? *

Yes ▼

Motivate your answer

- I learn more if I work in groups and the lessons are motivating
- I learn better if i enjoy the activities
- I like playing games to repeat or refresh contents
- Other:

7. Has your direct participation improved your English skills? *

- Yes
- No

8. Do you use IT tools for the project's products? *

- Yes
- No
- Internet is weak
- There is no internet connection.
- Other:

9. How much time do you spend for the project weekly? *

- One hour
- Two hours
- More than two hours

10. Do you work as a team or individually? *

- As a team
- Individually
- Other:

11. Have you been asked about the accomplished project's activities? *

- Yes
- No
- Other

12. Do you think that your involvement in this project has brought you practical examples for a better understanding of the given task? *

- Yes, because of additional individual work on specific topics
- Yes, thanks to using English for more hours per day
- Yes, because of research work on curious themes
- No

13. What are your suggestions for the school project team ?

No

14. What are your suggestions for the partnership school project team/s ?

Using Etiwinnoh for communication with foreign students

Thank you for your contribution!
